

Deutscher Werkbund Exhibition in Bologna

January 31, 2018

The Bologna Architects' Association presents the exhibition "Deutscher Werkbund", that shows materials from the event "Werkbund Ausstellung Köln 1914-2014" <<https://embrace2030.com/centenario-werkbund-1914/>> – curated by Giuliani and Severati on the centenary of the German exposition – along with other original materials such as the German 1915 yearbook and the Ausstellung Official Catalogue <https://embrace2030.files.wordpress.com/2018/01/werkbund-ausstellung-cologne-1914.pdf> [eng].

The current exhibition also includes a presentation of the 12 artists and 12 manufacturers that made up the Werkbund in 1907 as well as the screening of a documentary, *Peter Behrens – A Pioneer in Architecture*, and Ruttmann's film *Berlin: Symphony of a Metropolis* among other initiatives.

On the Deutscher Werkbund opening, Embrace2030-member architect Alberto Giuliani addressed the audience on the theme of the 1914 Cologne Werkbund exhibition and peace manufacturing during wartime.
